

# **MASINYUSANE**

## **2018 Yearbook**

We are incredibly proud  
to introduce thirty one  
young leaders who have  
stopped at nothing to  
pursue their dreams.

This May they became  
university graduates.

“Masinyusane has always been there for me.

From high school through university, I always knew I could call Bhut’Jim or Ta’Fiks.

I am already helping other kids in my area and hope to be the role model that those guys were for me.”
